We welcome applications from individuals who wish to participate in the Parade of Banners and Grand Opening Ceremony.

As part of the festivities of UTA International Week 2016, there will be a procession of the banners representing the many countries and geographic regions of international students. The procession will take place at noon on Monday, April 4, 2016. Starting at the Palo Duro Lounge, UC, the procession will make its way through the center of campus and end back at the Palo Duro where our special guest speaker will officially open International Week 2016.

The procession will march around the UTA campus and help attract students to International Week. You can participate by carrying the banner of a country/geographic region. While you may select any option from the list below, only one person will be selected to carry a given banner. If two or more people apply to carry the same banner, the one who turned in their application first will be granted their choice and the others will be given their 2nd choice. Note: You will be held responsible if the OIE banner is lost or damaged while it is in your possession.
