ABOUT THE MORTIMER & MIMI LEVITT FOUNDATION

The Mortimer & Mimi Levitt Foundation is a national private foundation that exists to strengthen the social fabric of America. Through its support of creative placemaking projects, the Levitt Foundation empowers communities to transform neglected public spaces into welcoming

destinations where the power of free, live music brings people together and invigorates community life.

The Foundation's primary funding areas include permanent outdoor Levitt music venues and the Levitt AMP [Your City] Grant Awards, an annual grants competition. In 2016, free Levitt concerts will be presented in 21 towns and cities across the country. Levitt music venues and AMP concert sites collectively reach more than half a million people annually through 450+ free, family-friendly concerts. As an example of the high caliber talent presented across the Levitt network, the 2016 GRAMMY nominees included 21 artists who have performed on Levitt stages in recent years.

Permanent Levitt venues include cities as diverse as Los Angeles and Pasadena, California; Westport, Connecticut; Bethlehem, Pennsylvania; Memphis, Tennessee; and Arlington, Texas. Each Levitt venue is programmed, managed and supported by its own 501(c)(3) Friends of Levitt nonprofit partner, presenting 50+ free concerts every year featuring music of all genres. Due to accelerating interest from cities and engaged citizens, the national network of Levitt music venues is growing. Developing Levitt locations across the country include Denver (opening 2017), Houston (opening 2018), and Sioux Falls (opening 2019), amongst other cities.
