

Be Bold. Be Ambitious. Set Yourself Apart with the MAVERICK ADVANTAGE.

Sociology and Anthropology

Student Ambassadors

Are you a people person? Do you love sociology and/or anthropology? Do you want to add the **Maverick Advantage Distinction** to your resume or earn **Liberal Arts Honors** points? Become a **Student Ambassador!**

Ambassadors will organize and represent our department at University sponsored recruitment events both on and off campus. They will gain **Professional Experience and Leadership** by **Engaging the Community** and can use this experience toward **Maverick Advantage Distinction** and for **Honors College** points.

Students accepted as **Ambassadors** receive a t-shirt and recognition at the annual department awards ceremony. If interested, please e-mail LaDorna McGee (ladorna@uta.edu). In your e-mail, please indicate why you are interested in being a **Student Ambassador.**

Maverick Experience events generally occur once a month. Ambassadors will be notified events as they become scheduled.
