

BuzzBack is a full service market research provider with highly differentiated online research approaches. We play a key role for our clients in the development and refinement of advertising, messaging, positioning, and product concepts. Our clients include Fortune 100 CPG, Pharmaceutical, Restaurant, Technology and Retail companies, as well as emerging category leaders. Both our techniques and our researchers have been recognized by the industry, with numerous awards from the ARF, MRS/ASC, and ESOMAR.

Founded in April 2000, BuzzBack maintains offices in New York City and London, as well as virtual offices across the U.S.

Position: Market Research Intern

As a "Research Intern," you will be part of the Research team, and your specific tasks will include the following:

- Interaction with research team for client project management and delivery
- Create and evaluate data tables
- Questionnaire review
- Assist in report writing
- Establish, monitor and maintain outstanding customer satisfaction
- Involvement in QA for all parts of project process

Requirements

The ideal candidate will possess:

- Positive, can-do attitude
- Flexibility to adapt to changing business conditions, objectives and tactics
- Willingness to roll-up-sleeves and do what it takes to reach goal
- Orientation to self-start and tremendous personal motivation
- Results-oriented drive and a solid work ethic
- Excellent time management and prioritization skills with strong attention to detail
- Aptitude in learning new skills and applying them to different circumstances
- Skill with common Internet tools and capabilities and Microsoft Office applications

This position may be part-time or full-time, depending on the candidate's availability, and is based in New York City.

We regret that we cannot pay for relocation expenses or act as an immigration sponsor at this time.

Please, no phone calls.
