

CROSS TIMBERS

Procurement Technical Assistance Center

The deadline for self-attesting compliance with FAR 52.204-25 is August 2020

If your company, or any subcontractors, has **any** telecommunications or video surveillance equipment or services (from the companies listed below) in any of the Department of Defense (DoD) contract related areas or used by personnel supporting U.S. DoD contracts - **you are required to report it.**

PROHIBITED CHINESE MANUFACTURERS:

Huawei Technologies Company; or ZTE Corporation or affiliates:

Hytera Communications Corporation;

Hangzhou Hikvision Digital Technology Company;

or Dahua Technology Company

Steps Required:

1. Determine if you are using telecommunications or video surveillance equipment or services from the Chinese manufacturers listed above
2. Go to the System for Award Management (Sam.gov) to determine if the equipment or services fall under the FAR 4.2101
3. Self-Attest
4. Self-Report required under FAR 52.204-25

Additional Questions?

If you are a DoD contractor and have questions regarding your compliance with FAR 52.204-25, please contact Gregory James at, gjames@uta.edu.
