## HOW TO DEVELOP A CAPABILITY STATEMENT

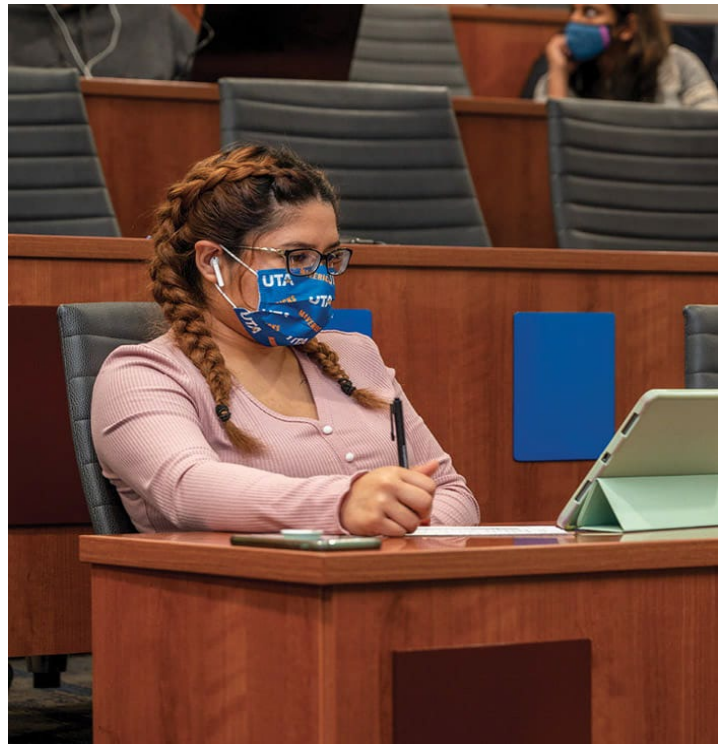

---

SEPTEMBER 28,  
2022

11AM – NOON CDT

After completing the registration form you will receive an email containing the link to join the webinar.

During this free event, participants will learn how to write a one-page capability statement that serves as their thirty second elevator speech.

The class will cover the descriptive and actionable language that will make your capability statement stand out.

Participants will also learn which elements to include on the capability statement- such as company data, core competencies, capacity, past performance, past experience, and cybersecurity.

Register Today!

*This procurement technical assistance center is funded in part through a cooperative agreement with the Defense Logistics Agency.*
